As a graduate student in the Professional Master of Engineering (ENPM) Program or the Graduate Certificate in Engineering Program (GCEN), you have several ways to register for classes. To make this procedure as easy as possible, the following information is provided.

Testudo –

Register online at

www.testudo.umd.edu

and click on Records &

Registration, then select “Registration drop/Add”. Note you will need to set up your Directory ID and Password at www.directory.umd.edu

In-Person

Registration – Complete the Graduate Student Schedule Request form at Student Services on the first floor of the Mitchell Building between 8:30am and 4:30 pm, Monday through Friday. For further information, call the Office of the Registrar at 301-314-8240

DETS Registration

You can use Testudo to register for your courses, whether you attend on campus or at a remote site. Please be sure to enter the correct section, using the lists below.
